DEGREE ORIENTED RESEARCH

Departmental Assessment Form

This form is for the assessment of the quality of the content of degree oriented research applications at the Department where the applicant is registered as a student. Research Committees should, only, consider research proposals that have already been approved by the Departmental PG Committee. Where there are corrections, the proposals shall be vetted for compliance and only thereafter signed by the Chairperson and members of the committee. Where ethical issues are crucial, evidence of ethical approval should be provided by the applicant. Members of the Research Committee, with a conflict of interests in relation to a given proposal, shall not be at the meeting when the said proposal is under consideration. Completed copy of this form, the minutes of the meeting, where the submission was taken, and all other supporting documents shall be forwarded to the appropriate Faculty/School/Institute/Centre Research Committee.

Full Name of Candidate: **Reg. Number:**

Title of Research:

Supervisor(s):

Department:

DEPARTMENTAL RECOMMENDATIONS

Assessment Score: Tick the appropriate score point in the space provided in the table below. A total score of less than 24 is considered low and proposal uncompetitive.
